

Amana Two-Stage Variable Gas Furnace

96% AFUE • ARVT96

Features

One-time Unit Replacement Limited Warranty: The best warranty in the game. If the heat exchanger ever fails to the original equipment purchaser, you get a new furnace. If this happens in the first 10 years, it is zero cost to you. If past 10 years, you just pay the labor. We take care of registering!

10 Year Parts AND Labor Warranty: The last thing you want to worry about is potential repairs. Rest assured with 10 year parts and labor, if there are surprises, odds are it is covered.*

High Efficiency Design: This furnace has an efficiency of 97% AFUE. That means out of every \$1.00 of fuel you put into it, 97¢ goes to heating your home, and only 3¢ is exhausted. That's outstanding!

Two-Stage Operation: This furnace is intelligent and adapts to deliver targeted comfort. Designed to have longer heat cycles than a basic furnace, the longer heat cycles lead to a more evenly heated home.

True Variable Blower: The blower motor is high efficiency and intelligent. It will automatically adjust to make sure your heating and cooling system have the proper air flow, and will try to overcome airflow problems.

Backed by the Good Guys: You aren't just buying a box. You're buying into our award winning service team that knows how to take care of this for years to come. We don't just disappear after the sale.

- ◆ True Variable Speed ECM Motor

THINGS TO NOTE

- ◆ Unit Replacement applies to original owner only.

SATISFACTION GUARANTEE

We stand behind our products, and if you aren't happy we can switch you to a different model, or remove and refund your purchase (within one year from install).

Your satisfaction is very important to us.

* Annual Tune-Ups are required to keep your warranty active. Manufacturer may decline repairs caused due to lack of maintenance.

This document is designed by Christensen & Wisnet Inc (d/b/a The Good Guys Heating & Cooling) for use with our company only. This sheet is designed to breakdown the features of a unit and help make a decision on what unit is right for you. The information on this sheet is based off of the spec sheets. We automatically register equipment and extended warranties are done internally through our company. If you have questions please reach out to our office at 920-734-1436 or email sales@goodguyswi.com
