

York Single Stage Gas Furnace

96% AFUE • Y91E

Features

High Efficiency Design: This furnace has an efficiency of 96% AFUE. That means out of every \$1.00 of fuel you put into it, 96¢ goes to heating your home, and only 4¢ is exhausted. That's amazing!

Fixed Speed Blower: The blower motor is high efficiency and designed to operate like a traditional motor, while still saving you money.

Backed by the Good Guys: You aren't just buying a box. You're buying into our award winning service team that knows how to take care of this for years to come. We don't just disappear after the sale.

BLOWER

VARIABLE ECM

WHAT WE LOVE

- ◆ Outstanding efficiency at price point.
- ◆ Improved new design, with our input.

THINGS TO NOTE

- ◆ Does not have a full variable speed motor.
- ◆ Does not have comfort driven features like a true variable speed motor or multi-stage operation.

SATISFACTION GUARANTEE

We stand behind our products, and if you aren't happy we can switch you to a different model, or remove and refund your purchase (within one year from install).

Your satisfaction is very important to us.

* Annual Tune-Ups are required to keep your warranty active. Manufacturer may decline repairs caused due to lack of maintenance.

This document is designed by Christensen & Wisnet Inc (d/b/a The Good Guys Heating & Cooling) for use with our company only. This sheet is designed to breakdown the features of a unit and help make a decision on what unit is right for you. The information on this sheet is based off of the spec sheets. We automatically register equipment and extended warranties are done internally through our company. If you have questions please reach out to our office at 920-734-1436 or email sales@goodguyswi.com
