

DURASTAR 15 SEER2 Air Conditioner

Product Details

DURASTAR

Central Air Conditioner

15.2 SEER2 • DRAC15A

KEY POINTS

Wind-swept Blades: This unit features specialty fan blade design that helps lower the noise of the air blowing through and less.

Sturdy Cabinet: This unit is built with thick metal panels, for an extremely sturdy cabinet. Designed to withstand our tough Wisconsin winters!

Twin Rotary Compressor: This A/C operates as a hybrid. First stage is between 45-65% and is inverter driven. If that cannot keep up, it will jump into 100% capacity. The goal is longer runtime and more dehumidification.

Service Friendly Design: Built to be simple and easy to access components means less labor charge on any possible repairs in the future.

Standard Warranty: This equipment comes with a 10-year part warranty and a 1-year labor warranty. We have Air Conditioners that include a 10 Year Parts & Labor warranty for the ultimate peace of mind.

Backed by the Good Guys: You aren't just buying a box. You're buying into our award winning service team that knows how to take care of this for years to come. We don't just disappear after the sale.
